# PARTS LIST INTRODUCTION

Our dealership network stands by to provide you with any assistance you may require, including genuine Sno-Way service parts. All parts should be obtained from or ordered through your dealer. Give complete information about the part as well as the Model Number and Serial Number of your machine.

Record the Serial Number in the space provided in your Owner's Manual for quick reference. The Serial Number for the unit is on a plate located on the left frame gusset of the Hopper Frame.

"Right" and "Left" are determined from a position sitting on the Operators Seat of the vehicle.

We reserve the right to make changes or improvements in the design or construction of any part without incurring the obligation to install such changes in any unit previously delivered.

## USING THIS PARTS LIST

Below is parts listing with four columns. The first column is the "ITEM", the second is the "PART NUMBER", The third is the "DESCRIPTION" and the fourth is the "QUANTITY".

The "ITEM" is the number used in the corresponding illustration.

The "PART NO." Is the number used to order replacement parts. If a number does not appear in the column the part is only available by ordering the complete assembly.

The "DESCRIPTION" is the name of the replacement part. At times the name may be indented, this means that the indented parts are part of the preceding assembly.

The "QTY." Is the quantity needed to service the assembly illustrated, not the complete product.

| ITEM      | PART NO.                         | DESCRIPTION | QTY. |
|-----------|----------------------------------|-------------|------|
| 196100083 | O-ring                           | 1           |      |
| 296001529 | Elbow                            | 3           |      |
| 398100036 | Capscrew, Hex.,3/8"-16NC x 7/8"9 |             |      |
